

Customized Triangle Battery Pack Electric Bicycle e bike 48v 20ah lithium Ion Battery for Ebike

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Certification: CE
- Model Number: Lithium Ion Battery
- Minimum Order Quantity: 10
- Packaging Details: packed in carton
- Delivery Time: 15
- Payment Terms: TT PAYPAL
- Supply Ability: 1000pcs per month

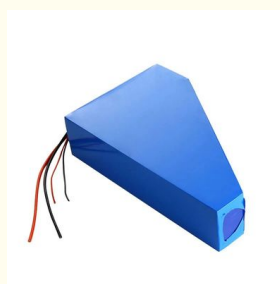

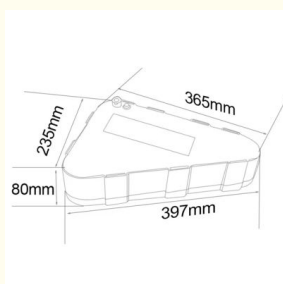

Product Specification

- Battery Type: Brand 18650 Cells
- Capacity: 13Ah 15Ah 16Ah 17Ah 17.5Ah Customized Capacity
- Estimate Weight: Customized
- Storage Temperature: -10~40°C
- Discharge Working Temperature: -20~60°C
- Voltage: 36V/ 48V/ 52V/ 60V/ 72V Optional Voltage
- Color: Black
- Battery Name: Triangle Ebike Battery Pack
- Highlight: **Electric Bicycle e bike Battery Pack, Customized Triangle Battery Pack, 48v 20ah Triangle Battery Pack**

Product Description

Product Description:

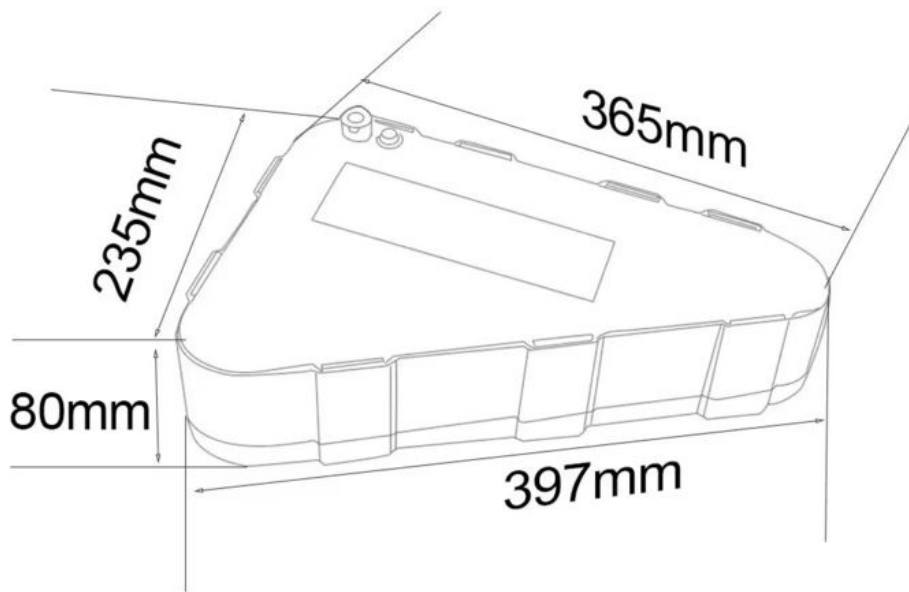

The Triangle Ebike Battery Pack is made using high-quality LiFePO4 Battery cells that offer superior performance and reliability. These Lithium ion batteries are known for their long cycle life and high energy density, making them an ideal choice for ebike battery applications.

The Triangle Ebike Battery Pack has been designed to function in a wide range of temperatures. It can be stored in temperatures between -10~40°C and can work in discharge temperatures ranging from -20~60°C. This makes it a perfect fit for different weather conditions, ensuring that you can use your ebike in any climate.

The Triangle Ebike Battery Pack is a compact and lightweight battery pack that can be easily installed on your bike without adding any extra weight. It comes with a sturdy casing that protects the battery from damage due to external factors. The triangular shape of the battery pack allows it to fit perfectly on the bike frame, ensuring that it does not get in the way of your ride.

With its high energy density and long cycle life, the Triangle Ebike Battery Pack is a cost-effective solution for all your ebike battery needs. Its superior performance and reliability make it a popular choice among electric bike enthusiasts. So, why wait? Get your hands on the Triangle Ebike Battery Pack today and experience the joy of riding your ebike to the fullest!

Features:

Product Name: E Bike Battery

Battery Name: Triangle Ebike Battery Pack

Discharge Working Temperature: -20~60°C

Voltage: 36V/ 48V/ 52V/ 60V/ 72V(Optional Voltage)

Case: Triangle

Estimate Weight: Customized

Lithium ion battery

LiFePO4 Battery

Product	e-bike battery
Rated Capacity	20Ah
Nominal Voltage	48V
Charging Voltage	54.6V
Charging Current	3-5A
Max. Continuous Discharging Current	30A
Max. Continuous Charging Current	3-5A
Combination mode	13S8P
Cycle Life	1000 times
Dimensions (L*W*H)	400*360*280*80mm
Weight	6Kg
Operating Temperature	Charging: 0 ~ 45 Discharging:-20 ~ 60
Storage Temperature	-10 ~ 45
Humidity	65% ±10% relative humidity
Certification	CE/RoHS/MSDS/UN38.3, can be customized
Warranty	1 years
OEM/ODM	Acceptable

Multiple Protections

Applications:

Manufactured in China with the highest quality materials and technology, this battery is CE certified, ensuring its safety and performance. The minimum order quantity is only 10 units, and packaging is done in sturdy cartons to ensure safe delivery. Delivery time is estimated at 15 days, and payment can be made through TT or PayPal. With an impressive supply capacity of 1000pcs per month, you can rest assured that you will always have access to this reliable power source.

The triangular case design of the enook Lithium ion Battery makes it easy to install and remove from your e-bike. It is also lightweight and compact, making it easy to carry with you while traveling. It is available in a sleek black color, which looks great on any electric bike.

The enook Lithium ion Battery is perfect for a variety of applications and scenarios. Whether you are a commuting cyclist, a delivery rider, or a leisure enthusiast, this battery can provide the power you need to ride longer and faster. It is also great for outdoor enthusiasts who need reliable power for camping trips, hiking excursions, and other outdoor activities.

The storage temperature range for this battery is -10~40°C, ensuring that it can perform well in a variety of environments. The customized weight of the battery makes it easy to handle, and the triangle Ebike Battery Pack is a great choice for anyone who wants a reliable and long-lasting power source for their e-bike.

Step1

Put the battery in the triangle bag

Step2

Open the felt part of the triangle bag and put it in the proper position of the car

Step3

Stick the felt according to the corresponding position and arrange it
